2) INSURED PERILS

Full All Risks Cover' – Goods Professionally packed by Williams and Hill &/or their agents

All Risks of physical loss or damage subject to the version of the following London Institute Clauses current at the time of commencement of transit:

Institute Cargo Clauses (A), and the War Clauses, Strikes Clauses, Termination of Transit Clause (Terrorism), Classification Clause, Insolvency Exclusion Amendment Clause, Radioactive Contamination, Chemical, Biological, Bio-Chemical, Electromagnetic Weapons Exclusion Clause and Cyber Attack Exclusion Clause.

For the purposes of general average contribution and salvage charges recoverable hereunder, the effects insured shall be deemed to be insured for their full contributory value.

Cover is extended to include Depreciation and Pairs and Sets Cover as detailed below:

Pairs and Sets Clause

Pairs and Sets clause as detailed under point 7 of this wording is deleted and cover is provided as follows:

In the event of loss or damage recoverable to any item or items forming part of a pair or set, the indemnity afforded by this policy shall be limited to the reasonable and fair reduction in value of the pair or set by reason of the loss or damage to the affected item or items having regard to the importance of the affected items within the pair or set. All the articles constituting the pair or set shall, at Underwriters' option, become their property in the event that the Underwriters agree to pay the total loss of the pair or entire set.

Depreciation Additional Cover Clause

Cover includes pecuniary loss caused by depreciation following an insured loss. The parameters and conditions of cover are noted below.

Underwriters agree, notwithstanding the provisions of the Pairs and Sets Clauses contained herein to pay claims for proven or agreed depreciation following recoverable claims for partial loss or damage to consignments insured hereunder.

For the avoidance of doubt it is noted and agreed that in any event, Underwriters liability for any item insured hereunder shall not exceed the declared sum insured of the item or, failing a declared sum insured at the time of loss/damage a sum insured to be calculated using the basis of valuation in the policy. However, it is noted and agreed that if depreciation of an insured item (including items comprising a pair or set and shipped and insured as a pair or set) following repair or partial loss, as established by an independent valuer, is more than 60% of the value of the item then the item will be considered a constructive total loss.

In the event of an insured item being declared a constructive total loss, Underwriters liability for any item insured hereunder shall not exceed the declared sum insured of the item or, failing a declared sum insured at the time of loss/damage, a sum insured to be calculated using the basis of valuation in the policy.

Following payment of a constructive total loss the item subject of the claim will become the property of the Underwriters to dispose of as they see fit.
